

Rick James

NELLY FEAT. T.I.

[Verse 1: Nelly]

I can't wait to spend this money

Spend it all on you

It don't matter what it is, what it cost, girl

See I'm on pay per view

She's standing on the couches

Bottles in the air

She's dancing on the tables (don't worry)

My account keeps the business running

That's what rich niggas do[Bridge: Nelly]

Put your number in my phone

I'm almost gone

Too much Patron

(Shots shots shots)

Here alone

Hey what I'm on

In my zone

Everybody get down

Yea, I'm rich bitch freeze[Hook: Nelly]

Like Rick James

Fire in the hole

Everybody in the zone

Baby hold my phone

Like what? (oh oh oh oh oh oh)

Rick James

Fire in the hole

Everybody on the floor

Too early to go home

Like what? (oh oh oh oh oh oh)[Verse 2: Nelly]

I said I can't wait to spend this money

(Do you hear me?)

Girl what you wanna do?

(Nah Listen)

I don't drive or park no cars girl

See I park avenue

She's standing on the couches

Bottles in the air

She's dancing on the tables

How about I send my pilot for you baby?

That's what rich niggas do[Bridge][Hook][Verse 3: T.I.]
You know we parlaying all day
In a mansion in Miami, keep it full LeBron playin
Yellow gold, Scott Dweller, solitaire park bay
Whenever I say it they mÃ©nage it
Vegas, stumbling up out of the club
High as elegant, now you're looking for love
Call your girl if you're lookin for her
Nah I ain't going for it like a bong I'm drinkin pourin
In the strip club where the girls ain't getting naked
Me and five, six girl, body out of this world
Pretty pull strings to a lot of these girls
Take a hit of it, get high with me girl[Bridge: Nelly]
Who tryna get sky high?
(Me and my girls)
Raise your hands if you want it twice
Who's feelin right?
(Me and my girls)
Am I the shit bitch?
(Yeah)[Bridge][Hook]
