Blue Moon of Kentucky

The Roys

Well, blue moon of Kentucky keep on shining
Shine on the one that's gone and left me blue
Well, blue moon of Kentucky keep on shining
Shine on the one that's gone and left me blue
Well, it was on one moonlight night
Where the stars shining bright
Wind blowin' high, my love said goodbye
Blue moon of Kentucky keep on shining
Shine on the one that's gone and left me blue
Well, it was on one moonlight night
With the stars shining bright
Wind blowin' high, my love said goodbye
Blue moon of Kentucky keep on shining
Shine on the one that's gone and left me blue
Well, blue moon, blue moon, blue moon, keep shining bright
Well, blue moon, keep on shining bright
Bring me back my baby tonight
Blue moon, yeah, keep shining bright
Well l say, blue moon of Kentucky just keep on shining
Shine on the one that's gone and left me blue
Well blue moon of Kentucky is to keep on shining
Yeah, shine on the one that's gone and left me blue
Well, it was on one moonlight night
With the stars shining bright
Wind blowin' high, my love said goodbye
Blue moon of Kentucky to keep on shining
Shine on the one that's gone and left me blue
Yeah, shine on the one that's gone and left me blue
