

From This Moment On

Diana Krall

From this moment on
You for me, dear
Only two for tea, dear
From this moment on From this happy day
No more blue songs
Only hoop-dee-doo songs
From this moment on For you've got the love I need so much
Got the skin that I love to touch
Got the arms to hold me tight
Got those sweet lips to kiss me goodnight From this moment on
You and I, babe
We'll be ridin' high, babe
Every care is gone
From this moment on For you've got the love that I need so much
Got the kind of skin that I love to touch
Got the arms to hold me tight
Got those sweet lips to kiss me goodnight From this moment on
You and I, babe
We'll be ridin' high, babe
Every care is gone
From this moment on
