Hanging On

Count The Stars

It's now or never as we kill the time away
No cent to my name and no claim to fame but
I always thought I'd turn out this way
I'll never burn away
It's now or never as we drink this world away
Like you I'm left alone to sit and think all day
I always thought I'd turn out this way
I'll never burn away
Don't leave me hanging on by a heartbeat
Don't look away slowly you won't know it
Give me all of your fears, give me all of your tears
Give me all because it burns away
It's now or never as we break away, break away this day
Did you forget about the things that kept you awake
I always thought I'd turn out this way
I'll never burn away
Don't leave me hanging on by a heartbeat
Don't look away slowly you won't know it
Give me all of your fears, give me all of your tears
Give me all because it burns aways
Just save it...
