

# The Night You Murdered Love

## ABC

It's cold outside, the night love died  
On the night you murdered love  
It's cold outside, the night love died  
On the night you murdered love From an early age  
I was taught to respect  
That a broken heart, girl  
Aint a thing you collect Close your eyes and say  
Nothing lasts a day  
Youre wasting my time  
Yet I love to love you Close your eyes and say  
Honor love obey  
Youre wasting my time  
Yet I love to love you It's cold outside, the night love died  
On the night you murdered love  
It's cold outside, the night love died  
On the night you murdered love January, February  
March and April, May  
June, July sees you go by  
I see love walk away Didnt use a blade  
A bullet or a gun  
You poisoned the moonlight  
When you put out the sun Close your eyes and say  
Nothing lasts a day  
Youre wasting my time  
Yet I love to love you Close your eyes and say  
Honor love obey  
Youre wasting my time  
Yes, I love to love you It's cold outside, the night love died  
On the night you murdered love  
It's cold outside, the night love died, baby  
On the night you murdered January, February  
March and April, May  
June, July sees you go by  
I see love walk away Love to love you Close your eyes and say  
Nothing lasts a day  
Youre wasting my time  
Yet I love to love you It's cold outside, the night love died  
On the night you murdered love  
It's cold outside, the night love died

On the night you murdered loveIt's cold outside, the night love died

On the night you murdered loveYes, you murdered love

And you murdered love

Yes, you murdered love

And you murdered love

Yes, you murdered love

Yes, you murdered love

Yes, you murdered love
