

# If This Is Love (feat. Yahzarah)

## The Foreign Exchange

My love is gone with Yesterday  
{My love is gone with Yesterday}  
My love is gone with Yesterday  
{My love is gone with Yesterday} We had a love for all seasons  
At least it's how it used to be  
There was no time, space or reason  
More special to us than we My love continue to flourish  
As a flower blooms in spring  
Then you tried to play love for silly  
But the loser is the fool  
Who doesn't play love by the rules If she breaks your heart  
I will send a robin to sing happy tunes for you  
Cause I may not be around  
To do the things I used to do  
And if you awake to find you're lost  
I will send a glad star to lead you on your way  
Cause the love I felt inside  
Has gone away with yesterday My love is gone with Yesterday  
{My love is gone with Yesterday}  
My love is gone with Yesterday  
{My love is gone with Yesterday} There was a time when forever  
Was common-place for me and you  
Laughing, loving, sharing, caring  
Seemed to be made just for us two But I kept on building the dream world  
That I thought was you and I  
Sorry, I'm sadly mistaken  
Cause our castle in the sky  
Has turned into a mere goodbye If she breaks your heart  
I will send a robin to sing happy tunes for you  
Cause I may not be around to do the things  
I used to do  
And if you awake to find you're lost  
I will send a glad star to lead you on your way  
Cause the love I felt inside  
Has gone away with yesterday Cause the love I felt inside  
Has gone away with yesterday Love is gone with yesterday  
Love is gone with yesterday  
Love is gone with yesterday  
Love is gone with yesterday

Love is gone with yesterday  
Love is gone with yesterday  
Love is gone with yesterday  
Love is gone with yesterday
