KB

Black boy all white class  
Call me the white boy with a black mask  
White vocab on the south side  
Boy, you better have a nice jab  
You don't know, you don't know  
My whole life I've been a type cast  
And they never let me went free  
So Ima teach in that life class  
I should be, I should be tired by now  
I don't wanna try no more  
I should be cold from the marches they throw, but  
I will not, I will not ever go back and forth with ya  
Call me every name under the sun, but  
You won't get a rise  
I am not the one Oh I oh I oh I  
I am not the one  
Oh I oh I oh I  
I am not the  
Oh I oh I oh I  
Oh I oh I oh I

Always gonna say you took it too far  
That's cool but know nothing gonna move dawg  
Cause we live for the opinion of the true God  
Exactly who you not

You might need a president but homie who reigns?  
Satan got a pen on me  
So what you gonna pen on me?  
A pen on me  
Free free you can put the pen on me  
They depend on me win only when y'all ready pen notice  
Who is K to the second?

I am cool when they messy  
They can't take my peace  
Cause they did not give it to me  
The spirit of God is inside of me  
You are not fighting me
