Wait For You

Sugababes

I'll wait, oh, oh
I'll just wait, wait, wait
I'll just wait, wait, waitFeel your heart beating fast
Hold me close, make this last
We knew this day would comeTake a breath, breathing in
I'm so scared of you leaving
Wish we could both just runWish we could put it off
But we can't stop time
Seems the clock is running too fastAnd now I'm feeling lost
And I can't read your mind
So you don't have to askYou know I'll wait for you
If it takes a lifetime to do
Yeah, I will wait for you
You're the only thing worth holding ontoNo matter how far
You know I can't live without my heart
I hope you come home soon, soonYou know I'll wait for you
If it takes a lifetime to do
Yeah, I'll waitNo phone calls will have to do
Write you letters just to prove
You're the only thing on my mindI know it's hard but we'll get through
Just hold on I promise you
Soon you'll be here by my sideWish we could put it off
But we can't stop time
Seems the clock is running way too fastAnd now I'm feeling lost
And I can't read your mind
So you don't have to askI'll wait for you
If it takes a lifetime to do
Yeah, I will wait for you
You're the only thing worth holding ontoHey, no matter how far
You know I can't live without my heart
I hope you come home soon, soonYou know I'll wait for you
If it takes a lifetime to do
Yeah, I'll waitOh boy, I'll wait
Feel my heart beating fast
Hold me close, make this last
We knew this day would comeYou know I'll wait for you
If it takes a lifetime to do
Yeah, I will wait for you
You're the only thing worth holding ontoNo matter how far

You know I can't live without my heart
I hope you come home soon, soonYou know I'll wait for you
If it takes a lifetime to do
Yeah, I'll wait, wait, wait
I'll just wait, wait, waitI'll just wait, wait, wait
I'll just wait, wait, wait for you
I'll just wait, wait, wait
I'll just wait, wait, waitI'll just wait, wait, wait
I'll just wait, wait, wait
