

Ramble Tamble

Creedence Clearwater Revival

Move
Down the road I go
Move
Down the road I go There's mud in the water
Roach in the cellar
Bugs in the sugar
Mortgage on the home
Mortgage on the home There's garbage on the sidewalk
Highways in the back yard
Police on the corner
Mortgage on the car
Mortgage on the car Move
Down the road I go They're selling independence
Actors in the White House
Acid indigestion
Mortgage on my life
Mortgage on my life Move
Down the road I go Ramble tamble
Ramble tamble
Ramble tamble
