

Storm

Blackmore's Night

A timeless and forgotten place
The moon and sun in endless chase
Each in quiet surrender
While the other reigns the sky
The midnight hour begins to laugh
A summer evening's epitaph
The winds are getting crazy as the storm begins to rise
As the storm begins to rise
Wild were the winds that came
In the thunder and the rain
Nothing ever could contain
The rising of the storm
In the wings of ebony
Darkened waves fill the trees
Wild winds warning
Echo through the air
Follow the storm now, I've got to get out of here
Follow the storm as you take to the sky
Follow the storm now, it's all so crystal clear
Follow the storm as the storm begins to rise
She seems to come from everywhere
Welcome to the dragon's lair
Fingers running through your hair
She asks you out to play
For all of nature's sorcery
The most bewitching entity
Hell can have no fury
Like the rising of the storm
Follow the storm now, I've got to get out of here
Follow the storm as you take to the sky
Follow the storm now, it's all so crystal clear
Follow the storm as the storm begins to rise
Follow the storm now, I've got to get out of here
Follow the storm as you take to the sky
Follow the storm now, it's all so crystal clear
Follow the storm as the storm begins to rise
As the storm begins to rise
