Wanna Be There

Jamelody

I wanna be there
When you turn off the lights
I wanna be there
But I'm here on this lonely highway
In the middle of nowhere
I wanna hold you
If you wake up in the night
I wanna hold you
I wanna be there in the morning
So I can touch you
You know tonight there's nowhere else that I would rather be
I'm not the same when you're not here with me
Close your eyes, say a little prayer
And baby, I'm gonna be there
I wanna be there
I wanna be there
Wanna be there in the morning light
I wanna be there
'Cause you know tonight there's nowhere else that I would rather be
I'm not the same when you're not next to me
Close your eyes and say a little prayer
And baby, I'm gonna be there
I wanna be there in the morning light
I wanna be there
