She Don't Know

Chilliwack

There's a feeling burning in my heart
She turns a key that's always open
One look from her and that's all I need to start
And none has seen the word is spokenShe don't know what she's doing to me
She don't know, she don't know
When will I find a way that I can make her see
'Cause she don't know, she don't knowShe don't know, she don't, she don't know
She don't know what she's doing to me
She don't know, she don't, she don't know
She don't know what she's doing to meAll around her there's a magic in the air
Words come out but they don't reach her
She slips away every time that I get near
She means so much but I can't touch herAnd she don't know what she's doing to me
She don't know, she don't know
When will I find a way that I can make her see
She don't know, she don't know(Got to make her mine, she don't know)
What she's doing to me, yeahShe don't know, she don't, she don't know
She don't know what she's doing to me
She don't know, she don't, she don't know
She don't know what she's doing to meShe don't know, she don't, she don't know
She don't know what she's doing to me
She don't know, she don't, she don't know
She don't know what she's doing to meShe don't know what she's doing to me
She don't know, she don't know
When will I find a way that I can make her see
She don't know, she don't know(Got to make her mine, she don't know)
What she's doing to meShe don't know, she don't, she don't know
She don't know what she's doing to me
She don't know, she don't, she don't knowShe don't know, she don't, she don't know
She don't know what she's doing to me
She don't know, she don't, she don't knowShe don't know, she don't, she don't know
She don't know what she's doing to me
She don't know, she don't, she don't knowShe don't know, she don't, she don't know
She don't know what she's doing to me
She don't know, she don't, she don't know
