

In the Land of the Pig, The Butcher Is King

Meat Loaf

Look at them now
What do they want?
And what do they do now?
Nothing at all What do they know?
What do they think?
And who do they tell?
Well, no one at all Lives are truly meaningless
And we are busy being blessed With all that we can take and pocket
No one needs to know
We're the plug and they're the socket
Give us the juice and we'll go Can't you hear the choir now?
Listen to the animals sing
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king
In the land of the pigs the butcher is king How do they sleep?
Their lives are so tart
Bring me the trash collectors
'Cause they're nothing but trash What do you expect?
They've got no standards
So we lower the bar
'Cause they're waiting for us We'll open up Pandora's Box
Pandora gave her keys and locks They're the big dogs waiting for their mother
Come to the confessional
So I can tell you all that bugger off
There's no time like now Can't you hear the choir now?
Listen to the animals sing
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king Can't you hear the choir now?
Listen to the market-place sing
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king
In the land of the pigs the butcher is king And we'll do it our way, it's our time to play
We know what to say if they stand in our way
Don't stand in our way, no time like today Can't you hear the choir now?
Listen to the anthems we sing
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king Can't you hear the choir now?
Listen to the animals sing
Can't you hear the slaughterhouse bells?

In the land of the pigs the butcher is king Can't you hear the choir now?
Listen to the chosen ones sing
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king
In the land of the pigs the butcher is king In the land of the pigs the butcher is king
In the land of the pigs the butcher is king
