People need more time
To stop our love from slowly dying
Ask ourselves if we've tried
To stop before it slides by
Our mother needs more time
Our father was so tired
Here we are and we've tried
To stop our love from slowly dying
Look around the world see people are dying
All because of greed hate mistrust and lying
People need
More time
Hear me
Everybody
More time
People need
More time
Everybody
More time
Lord hear me
More time
Lord hear me
More time
Everybody wants
More time
Everybody needs
More time
