

Battle

Chris August

There's a battle
Between good and evil,
And it's raging inside of me.
There's a struggle,
It's God and the devil
It's love against the enemy.
Woah no, I'm not giving up now.
Woah

Life's a fight of wrong and right
That's tearing me apart
Over what the cross has done.
Yeah, the world will try to battle for my heart,
But the war is already won.

There's a snake that's hiding in the Garden,
There's a beautiful apple tree.
There's trouble on the horizon,
But I'm claiming victory.
Woah no, I'm not giving up now.
Woah

Life's a fight of wrong and right
That's tearing me apart
Over what the cross has done.
Yeah, the world will try to battle for my heart,
But the war is already won.
