Happy (2K Noki Short Edit)

Alexia

HappyYou know what I'm saying?
Happy
It's so nice to be happy
Everybody should be happy
It's so nice to be happyHappy
It's so nice to be happy
It's so nice to be happy
It's so nice to be happyI wanna take you to my world to be happy
`Cause I can't live without your love
Yes you knowI've never needed anyone to be happy
But that's the way that things go wrong
Yes you knowI was afraid to open my eyes
Don't even know how many tears that I've cried
Now that I've found the love of my life
I don't get down down down down downHappy
It's so nice to be happy
Everybody should be happy
It's so nice to be happyI've never been in love before and I'm happy
`Cause you're the one I'm looking for
Yes you knowYou bring the sunshine into my life
Your lips are burning and the feeling is right
I can't believe It's true that you're mine
Don't let me down down down down downHappy
It's so nice to be happy
Everybody should be happy
It's so nice to be happyI just pray
You'll never run away
Can't wait another day
To hold you tight
To hold you tightHappy
It's so nice to be happy
Everybody should be happy
It's so nice to be happyHappy
It's so nice to be happy
It's so nice to be happy
It's so nice to be happyEverybody should be happy
