Hypocrite

Tura Satana

Bubble gum brainiac, baby girl, ultra brat
Angst Schmangst, no thanks, hope my record doesn't tank
Sailor moon, Rainbow Bright, Anime, Avril lite
Pro tools all the way, hey hey hey hey
Don't try to label me hypocrite
'Cause I will do what I want to
Some will say that I'm counterfeit
But I will be who I want to
Candy floss, anti pop, star search, lollipop
Manufactured skate punk, wanna be, never was
Nerd, geek, super freak, I'm a movie of the week
Daddy's girl, teacher's pet, yeah yeah yeah yeah
Don't try to label me hypocrite
'Cause I will do what I want to
Some will say that I'm counterfeit
But I will be who I want to
Don't try to label me hypocrite
Don't try to label me hypocrite
I will do what I want to
I will do what I want to
I will do what I want to
I will do what I want to
Don't try to label me hypocrite
'Cause I will do what I want to
Some will say that I'm counterfeit
But I will be who I want to
Some will look at me and vomit
But I will look how I want to
Some will hear me and not get it
But I will say what I want to
Don't try to label me hypocrite
Don't try to label me hypocrite
I will do what I want to
I will do what I want to
I will do what I want to
I will do what I want to
I will do what I want to
I will do what I want to
I will do what I want to

I will do what I want to
