

# Angel of Mercy

## Albert Collins

I went to work this mo'nin'  
My foreman looked me in the eye  
He said, "Fella I don't know what's wrong with ya  
But you look sick enough to die" He sent me to the company doctor  
And he examined from head to toe  
Whatever's wrong with ya, young man  
My x-rays just won't show I say, angel of mercy  
Won't you please look down on me?  
Angel of mercy  
A little mercy is all I need The finance company  
They just can't receive my check  
They say they want a payment by Friday  
Or they want all-a the furniture back I went to the credit union  
To try to get myself a loan  
They said, "I would let ya have it young man  
But we hear that you won't be workin' here much longer Angel of mercy  
Won't you please look down on me?  
Oh, angel of mercy  
A little mercy is all I need Lord have mercy  
Oh angel  
Oh  
Oh Cut my lights off this mo'nin'  
They set my furniture out doors  
I was listenin' to the weatherman 'while ago  
An' he's says it's gonna rain an' snow My daughter's got pneumonia  
An' my son is down with the flu  
My whole family's sufferin' from malnutrition  
And I can't even 'fford them soup I say, angel of mercy  
Won't you please look down on me?  
Oh, angel of mercy  
A little mercy is all I need
