

# Bossy (Feat. Jason Derulo)

## Birdman

[Chorus]

I love it when she bossy  
Sexy when she bossy  
I know I am the boss  
I kinda like it when she boss me  
Love it when I'm bossy  
Touch me when I'm bossy  
She thinks she is the boss  
She kinda likes it when I'm Bossy  
Who da' boss, who da' boss  
Who da' boss, who da' boss  
She thinks she in control but I'ma let her know  
Who da' boss, who da' boss  
Who da' boss, who da' boss  
When we switch roles I let it be known  
I'm da' boss[Verse 1]  
Yeah sun shinin' doin' it like this-a-way  
5 star doin' it like everyday  
Pick mama up ridin' with the paper plates  
Big houses 20 mills own estates  
Brought her to my town  
Showed her my uptown, showed her my uptown  
Show her where I stood my ground  
How we did it how we put it down  
New money and we blowin' straight out the pound  
To the mall let her do what she do  
She grind cause she wanna  
And she hustlin' too  
I do it how I feel  
I'm da' boss of my shit  
About 8, 9 o'clock mama cookin' my shit[Chorus][Verse 2]  
When you see baby girl nigga rockin' red  
Best believe that she doin' it for a nigga  
Tear drop on her hand just like her man  
14 tear drops nigga I'm the man  
Stand my ground do mines uptown  
Get it how I live nigga show em how I put it down  
When I see her on TV cause  
It be like that's my blood (yeah)

Cause she rep me thoroughly  
Uptown nigga hold me down thoroughly (yeah)  
And she fuck me patiently  
And I love how she work me[Chorus][Verse 3]  
So I'm back in my hood in the neck of my woods  
5 star you know I'm good  
5 star I'm out my hood  
Put in work lil' daddy so you know its good  
Mama love my style I can't do it though  
Been through a whole bunch of yall solo  
You know its all good like I give it up  
Gave it up, Got it up  
Now I'm still standin' up  
I got me somethin' in the plan though  
Money in the hand doin' it so brand-o  
Bring her to an island let her piece it out  
Lovin' my gangster tatted out[Chorus]Let it be known I'm the boss
