

Cyborg

Pohlmann

Welcome to my world Power, fight, death Come play with me

Hahahahaha

I'm waiting I play their fantasy and I live their pain

My heart and soul locked up in a cold steel frame

A strange creature's crawling and it's calling out my name

I don't want to, I don't need to, but I must fight again

(Let me out)

(Set me free) Calling out for the cyborg, gonna rub you out

Time is up for the cyborg, you'll never get out

Bah! You're nothing but a cyborg Cyborg Cyborg, it's your time I'll make it back there baby, just you watch me

try

(one more try, one more try)

We'll fly again into the deep blue sky

I feel a hunger baby, cyborg feels no shame

Lord I have to, Lord I need to win this wicked game Come step to me Calling out for the cyborg, gonna rub you

out

Time is up for the cyborg, you'll never get out

Calling out for the cyborg, gonna put your light out

Bah! You're nothing but a cyborg, you'll never get out I'm gonna erase your file
