Born To Be My Baby

Bon Jovi

Rainy night and the worked all day
Both got jobs 'cause there's bills to play
We've got somethin' they can't take away
Our love, our lives
Close the door, leave the cold outside
Don't need nothin', by your side
We've got somethin' that won't never die
Our dreams, our pride
Beats like a drum
Flesh to flesh, one to one
I'll never let go
Somethin' I know deep inside
You were born to be my baby
I was made to be your man
We've got somethin' to believe in
If we don't know where we stand
Only God knows the reason
But He must have had a plan
'Cause you were born to be my baby
And I was made to be your man
Light a candle, blow the world away
Table for two on a TV tray
Nothin' ain't fancy, but that's okay
Our time, our way
Hold me close baby, hang on tight
Buckle your seats, for a bumpy ride
We're two kids hitchin' this road of life
Our world, our fights
Stand side by side
There's a chance we'll get by
I know that you'll live
In my heart till the day I die
You were born to be my baby
I was made to be your man
We have got to believe in
Even if we don't know where we stand
Only God knows the reason
But He must have had a plan
'Cause you were born to be my baby

I was made to be your man
My heart beats like a drum
Flesh to flesh, one to one
I'll never let go
There's somethin' I know deep inside
You were born to be my baby
I was made to be your man
We've got somethin' to believe in
If we don't know where we stand
God knows the reason
But He must have had a plan
'Cause you were born to be my baby
And I was made to be your man
