

Pleasure and Pain

Ben Harper & The Innocent Criminals

I'm leaving here on the morning train
And i will never see this world again
I've felt pleasure
And i have felt pain
And i know now
That i can never be the same
How i wonder why the world can be so cold
And if only good die young
Then left with me cruel here to grow old
And i felt pleasure
An i felt pain
And i know now
I can never be the same
And if someday i find my peace of mind
I will share my wealth with all of human kind
I've felt pleasure
And i have felt pain
And i know now
That i can never be the same
So if the sun does shine or rain does fall
I give thanks i've had my sight to see through it all
And i've felt pleasure
And i have felt pain
And i know now
That i can never be the same
