

wildfire (feat. nick carter green)

Frank Ocean

River's strong you can't,
Swim inside it we could
String some lights up the, hill beside it
Tonight the moon's so bright you could,
You could drive with your headlights out 'Cause a little bit of summer's what the whole year's all about
You look fine, fine, fine
Put your feet up next to mine
We can watch that water line get higher and higher
Say, say, say
Ain't it been some kind of day
You and me been catching on like a wildfire
Don't get up just to, get another you can
drink from mine, we can't, leave each other
We can dance with the dead
You can rest your head
On my shoulder if you want to get older with me 'Cause a little bit of summer makes a lot of history
You look fine, fine, fine
Put your feet up next to mine
We can watch that water line get higher and higher
Say, say, say
Ain't it been some kind of day
You and me been catching on like a wildfire
I got a rock from the river in my medicine bag
Magpie feather in his medicine bag
Say, say, say
Ain't it been some kind of day
You and me been catchin' on like a wildfire
