

# Sifting

## Nirvana

Afraid to grade  
Wouldn't it be fun?  
Cross says floss  
Wouldn't it be fun?Wet your bed  
Wouldn't it be fun?  
Sun felt numb  
Wouldn't it be fun?"Your eyes, the teacher said  
"Your eyes, the teacher said  
"Your eyes, the teacher saidThe preacher said  
"Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you""Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you"Spell the smell  
Wouldn't it be fun?  
Search for church  
Wouldn't it be fun?You wet your bed  
Wouldn't it be fun?  
Cold in coals  
Wouldn't it be fun?"Your eyes, the teacher said  
"Your eyes, the teacher said  
"Your eyes, the preacher saidThe preacher said  
"Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you""Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you""Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you""Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you"  
"Don't have nothin' for you"
