

ALONE

Becca

I hear the ticking of the clock
I'm lying here the rooms pitch dark
I wonder where you are tonight
No answer on the telephone

And the night goes by so very slow
Oh, I hope that it wont wont end though
Alone

Till now
Always go by on my own
I never really cared until I met
And now it chills me to the bone
How do I get you alone?
How do I get you alone?

you don't know how long I have wanted
To touch your lips and hold you tight
Oh, you don't know long I have waiting
and I was going to tell you tonight

But the secret is still my own
And my love for you is still unknown
Alone

Ohhh oh whoa
Till now
Always go by on my own
I never really cared until I met
And now it chills me to the bone
How do I get you alone?
How do I get you alone?

How do i get you alone?
How do i get you alone?
Alone
Alone
