Biting The Bullet (Is Bad For Business)

MxPx

She said, "There's nothing you can say
To me that hasn't been said
There's nothing you can do to me that hasn't been done
Inside my head, done inside my head"He said, Well what else do you have up
There that isn't tied down?
You make a lot of noise for a girl
From south of town, south of town"She's so calm, yet so confused
She don't know, she's being used
She tries so hard, but it makes no difference
'Cause biting the bullet is bad for businessShe pretends to be so interested in current affairs
Pretends she doesn't notice when she sees
So many people stare and the people stareShe counted 39 steps from her door to the car
39 thousand more just to get herself out of the dark
And now she sees a sparkShe's so calm, yet so confused
She don't know, she's being used
She tries so hard, but it makes no difference
'Cause biting the bullet is bad for business, is bad for businessThe pretty picture she tried to find
Were only real inside her mind
She broke a window inside her soul
It hurts more than you'll ever knowShe's so calm, yet so confused
She don't know, she's being used
She tries so hard, but it makes no difference
'Cause biting the bullet is bad for businessShe's so calm, yet so confused
She don't know, she's being used
She tries so hard, but it makes no difference
'Cause biting the bullet is bad for business
Is bad for business, bad for business, is bad for business
