

Beyond the Invisible (Radio Edit)

Enigma

I look into the mirror see myself, I'm over me
I need space for my desires have to dive into my fantasies
I know as soon as I'll arrive everything is possible
'Cause no one has to hide beyond the invisible
Sajaja bramani totari ta
Raitata raitata
Radu ridu raitata, rota
Close your eyes just feel and realize
It is real and not a dream, I'm in you and you're in me
It is time to break the chains of life
If you follow you will see what's beyond reality
Ne irascaris Domine, ne ultra memineris iniquitatis
Ecce civitas Sancti facta est deserta
sion deserta facta est
Lerusalem desolata est domus sanctificationis tuae
Et gloriae tuae
Close your eyes just feel and realize
It is real and not a dream, I'm in you and you're in me
It is time to break the chains of life
If you follow you will see what's beyond reality
Close your eyes just feel and realize
It is real and not a dream, I'm in you and you're in me
It is time to break the chains of life
If you follow you will see what's beyond reality
