

Come (Frank Pole Remix)

Jain

Black burn
I feel so alone
without you boy
now I 'm here
hanging out in the street
thinking about reactions over actions
walking on the sky of my dreams

Come, come, my baby come

I will show you the world
Come, come, my baby come
I will cover your nightmares
Come, come, my baby come
I will love you forever
Come, come, my baby come

I will not let you go

My love, I just feel so lost
without you boy

I am yours even if time has passed
Take me away
from this impetuous world

leaving this jail of my mind

Come, come, my baby come

I will show you the world
Come, come, my baby come
I will cover your nightmares
Come, come, my baby come
I will love you forever
Come, come, my baby come

I will not let you go

My soul, my soul is in Africa, with you boy
Come, come, my baby come
I will show you the world
Come, come, my baby come
I will cover your nightmares
Come, come, my baby come
I will love you forever
Come, come, my baby come

I will not let you go

My soul, is in Africa
with you boy
Looking at the stars
on this diamond sky
giving you my smile
so you can keep it on your mind

floating on your blazing eyes

Come, come, my baby come

I will show you the world

Come, come, my baby come

I will cover your nightmares

Come, come, my baby come

I will love you forever

Come, come, my baby come

I will not let you go
