Hide & Freak (feat. Trey Songz)

SoMo

Baby hold up oh
And turn it around for me
I'm feeling my luck oh
So come and take a ride with me
You're acting real playful
But I really know what you mean
You wanna go up and down
And round for round
And pound for pound
I'll put it downTell me what's your favorite game
(I wanna play hide and freak)
You ain't gotta cover up your eyes
(Baby come and play it with me)Hi-hi-hide and freak
Hide and hide and freak
Play play play
Come play with
Play with meHi-hi-hide and freak
Hide and freak
Come play with me girlPresidential, that's what the room is
Confidential, that's what the mood is
And I'm feelin' your body
Feelin' your heart, feelin' your soul
Feelin' it as we go up and down
And round for round
And pound for pound
I'll put it downTell me what's your favourite game,
(I wanna play hide and freak)
You ain't gotta cover up your eyes
(Baby come and play it with me)Hi-hi-hide and freak
Hide and hide and freak
Play play play
Come play with
Play with meHi-hi-hide and freak
Hide and freak
Come play with me girlWoo
Girl you know you
Wanna play with it
Spend a couple days in it
Hope you been stretchin

I give you this blessing'
We touchin' and lovin'
You bustin if trey in it
Is it my turn to hide?
Count to a 100 by 5
5... 10... 15... 20
I be gettin' to it like the pussy was the money
Babygirl a addict
And I'm just a dope dealer
Tell me you gonna catch it
Like the bus up on the block
Tell me you gonna bus it
Like ya car was in the shop
Remember round the way we play
Hide-and-go-get-it
I know you with it, oh girl...
Girl say my name
What's your favourite game?Tell me what's your favourite game,
(I wanna play hide and freak)
You ain't gotta cover up your eyes
(baby come and play it with me)Hi-hi-hide and freak
Hide and hide and freak
Play play play
Come play with
Play with meHi-hi-hide and freak
Hide and freak
Come play with me girlTell me what's your favourite game,
(I wanna play hide and freak)
You ain't gotta cover up your eyes
(Baby come and play it with me)Hi-hi-hide and freak
Hide and hide and freak
Play play play
Come play with
Play with meHi-hi-hide and freak
Hide and freak
Come play with me girl
