

# Radio On

## Ex Hex

Just about the time, time I get off  
Youâ€™re gonna roll right past with the radio on I donâ€™t mind  
One more time, yeah do it again  
But you keep on saying that youâ€™re my friend I donâ€™t mind

[Chorus]  
Radio on  
Radio on  
Turn around and youâ€™re gone

You take my love and you waste my time  
How can I help it if it sure feels fine?  
I donâ€™t mind  
Here you come again looking like you do  
I know you like it when Iâ€™m falling all over you  
I donâ€™t mind

[Chorus]  
Radio on

Oh I know that I gotta let you go  
Oh I can see that youâ€™re just not the one for me

Radio on  
With the radio on  
Turn around and youâ€™re gone  
Radio on
