

# Stay The Night

## Billy Ocean

You are to me as sweet as apple pie  
You're next to me, we'll reach the highest high  
Oh, can't you see it could be ecstasy  
You and I, you and I, you and I, you and I Turn down the light, we'll turn 'em way down low  
No need to fight, we'll take it nice and slow  
Baby, tonight, we gotta let go  
Do you know, do you know, do you know, do you know Stay the night  
You're a woman, I'm a man  
Stay the night  
We can do what things you planned Stay the night  
Stay the night  
Stay the nightWe're all alone, there's only you and I  
Pull out the phone, we'll kiss the world goodbye  
We'll stay at home and make it on our own  
You and I, you and I, you and I, you and I Turn down the light, we'll turn 'em way down low  
No need to fight, we'll take it nice and slow  
Baby, tonight, oh, we gotta let go  
Do you know, do you know, do you know, do you know Stay the night  
You're a woman, I'm a man  
Stay the night  
We can do what things you planned Stay the night  
Stay the night  
Stay the nightStay  
Stay the night  
Stay  
Stay the nightStay  
Stay the night  
Stay  
Stay the night (Stay the night, stay the night) Stay the night  
You're a woman, I'm a man  
Stay the night  
We can do what things you planned Stay the night  
Stay the night  
Stay the nightStay  
Stay the night (Stay the night)  
Stay  
Stay the night (Stay the night) Stay (You're a woman, I'm a man)
