

# I Hope My Life - 1-800 Mix

[James Blake](#)

I hope I'm right when I'm speaking my mind  
I hope my life is no sign of the times I've been looking for the golden trees  
I don't wanna see the killing on those leaves  
Haven't we all  
Maybe I'll just press my hands on it  
Haven't we all  
It's a lot for me to take Where do we I hope I'm right when I'm speaking my mind  
Where do we  
I hope I'm right when I'm speaking my mind  
Where do we  
I hope my life is no sign of the times  
Where do we  
I hope my life is no sign of the times  
Where do we
