

Sanctuary

Mystic Prophecy

Out of the winter came a war horse of steel
I've never killed a woman before, but I know how it feels
I know you'd have gone insane if you saw what I saw
So now I've got to look for Sanctuary from the lawI met up with a stranger last night to keep me alive
He spends all his time on gambling and guns to survive
I know you'd have gone insane if you saw what I saw
So now I've got to look for Sanctuary from the lawSo give me Sanctuary from the law
And I'll be all right
Just give me Sanctuary from the law
And love me tonightâ^“ tonight
I know you'd have gone insane if you saw what I saw
So now I've got to look for Sanctuary from the lawSo give me Sanctuary from the law
And I'll be all right
Just give me Sanctuary from the law
And love me tonightâ^“ tonightI know you'd have gone insane if you saw what I saw
So now I've got to look for Sanctuary from the lawI can laugh at the wind
I can howl at the rain
Down in the canyon or out on the plainI know you'd have gone insane if you saw what I saw
So now I've got to look for Sanctuary from the law
So give me Sanctuary from the law
And I'll be all right
Just give me Sanctuary from the law
And love me tonightâ^“ tonight
