

# She

## Groove Coverage

She hangs out every day near by the beach  
Having a Heineken falling asleep  
She looks so sexy when she's walking to sand  
Nobody ever put a ring on her hand  
Swim to the oceanshore fishing the sea  
She is the story, the story is she  
She sings to the moon and the stars in the sky  
Shining from high above you shouldn't ask why  
She is the one that you'll never forget  
She is the heaven sent angel you met  
Oh she must be the reason why god made a girl  
She is so pretty all over the world  
She puts the rythm, the beat in the drum  
She comes in the morning, in the evening she's gone  
Every little hour, every second you live  
Trust in eternity, that's what she gives

She looks like Marilyn, walks like Susanne  
She talks like Monica and Mary-Ann  
She wins in everything that she might do  
And she will respect you, forever just you  
She is the one that you'll never forget  
She is the heaven sent angel you met  
Oh she must be the reason why god made a girl  
She is so pretty all over the world  
She is so pretty all over the world  
She is so pretty  
She is like you and me, like them, like we  
She's in you and me  
She is the one that you'll never forget  
She is the heaven sent angel you met  
Oh she must be the reason why god made a girl  
She is so pretty all over the world  
[repeat]
