

Still (With The Commodores)

Lionel Richie

Lady, morning's just a moment away
And I'm without you once again
You laughed at me
You said you never needed me
I wonder if you need me now So many dreams that flew away
So many words we didn't say
Two people lost in a storm
Where did we go?
Where'd we go? We lost what we both had found
You know we let each other down
But then most of all
I do love you
Still! (same as chorus)
We played the games that people play
We made our mistakes along the way
Somehow I know deep in my heart
You needed me
'cause I needed you so desperately!
We were too blind to see
But then most of all
I do love you
Still!
