Sexual Healing

Soul Asylum

Baby I know you lovin', I'm hot just like an oven
And baby, I can't hold it much longer
It's getting stronger and stronger
And when I get that feeling

I want sexual healing, sexual healing, baby
Makes me feel so fine helps to relieve my mind
Sexual healing baby, is good for me
Sexual healing is something that's good for me

Whenever blue tear drops are falling
And my emotional stability is leaving me
Honey, I know there is one thing I can do
I can get on the telephone I can call you up baby

'Cause honey I know you'll be there to relieve me
'Cause love you give me will free me
If you don't know the things you're dealing
I can tell you, darling, that it's sexual healing

Get up, get up, get up, get up, let's make love tonight
Wake up, wake up, wake up, wake up, 'cause you do it right

Baby I got sick this morning
A storming inside of me
Baby I think I'm capsizing
The waves are rising and rising

When I get that feeling, I want sexual healing
Sexual healing baby is good for me
Makes me feel so fine, it's such a rush
Helps to relieve the mind, and it's good for us

Sexual healing, baby, is good for me
Sexual healing is something that's good for me
And it's good for me and it's good to me, my baby
Just grab a hold juts take control
Of my body and mind soon we'll be making it

Honey, oh we're feeling fine

You're my medicine open up and let me in
Darling, you're so great, I can't wait for you to operate
I can't wait for you to operate

When I get that feeling, I want sexual healing
When I get that feeling, I want sexual healing
Please don't procrastinate, I want you to trust me
