

# End of the Night

[Bei Maejor](#)

Yeah

It's the end of the night girl

And I'm gonna make you feel good

Make you feel good...Now that we're alone girl

Do every thing that we said that we would...So lay ya body down down down

I'll make you say my name and

Try not to make a sound sound sound

My neighbors be complainin'Yeah, yeah

It's the end of the night girl

And I'm gonna make you feel good (I promise)

Make you feel good...

(Girl we shouldn't be doin' this. Upside down)
