Robotic

Hannah Georgas

Someone fill me in on what I missed
Come on give me hope, tell me anything
'Cause I've been on another side
On another trailI don't mean no harm
I don't mean much these days
I can call back another time
I can call back any day
'Cause I've been in another world
And I'm trying to escape itI wanna be reprogrammed
I wanna be robotic
No more blood in these veins
I wanna press resetGo on brush it off
'Cause no one sees it anyway
Come on you're much too soft
If you wanna win you gotta play
I think it's easier for you to sayI wanna be reprogrammed
I wanna be robotic
No more blood in these veins
I wanna press reset
I wanna press resetAhhhhhhh
