Did I Remember

George Wein

The night was filled with sweet surrender
I had a million things to say
We shared the moon in all it's splender
You pressed your lips to mine, and by the way

Did I remember to tell you I adore you
And I am living for you alone?
Did I remember to say "I'm lost without you"
And just how mad about you I've grown?
You were in my arms and that was all I knew
We were alone, we two, what did I say to you?
Did I remember to tell you I adore you
And pray forever more you are mine?

Did I remember to tell you I adore you
And I am living for you alone?
Did I remember to say "I'm lost without you"
And just how mad about you I've grown?
You were in my arms and that was all I knew
We were alone, we two, what did I say to you?
Did I remember to tell you I adore you
And pray forever more you are mine?
