When The Rain Comes

Third Day

When the rain comes it seems that everyone has gone away
When the night falls you wonder if you shouldn't find someplace
To run and hide, escape the pain
But hiding's such a lonely thing to doBut I can't stop the rain from falling down on you again
But I can't stop the rain but I will hold you 'til it goes awayWhen the rain comes you blame it on the things that you have done
When the storm fades you know that rain must fall on everyone
So rest awhile it'll be alright
No one loves you like I doI can't stop the rain from falling down on you again
I can't stop the rain but I will hold youBut I can't stop the rain from falling down on you again
But I can't stop the rain but I will hold you 'til it goes awayWhen the rain comes I will hold you
