Heard A Word

Michelle Williams

Dun dun du du du du dun unh
La da da da da daa
Listen
You know I've had my share of ups and downs
You live and learn, this world keeps on turning round
Sometimes those rainy days seem like they last forever
Wish I could turn the page and move on
(And move on)
Been longing for the days when you used to sit here talking
(All through the night)
Trynna keep my spirits high so I can walk in
(Into your life)
Used to be right next to me
All the things you dream about when you're retained
Now it seems like every thing's so far away then one day you know
I heard a word saying, "Girl you'll be fine"
I heard a word that would ease my troubled mind
Took all the hurt away, warmed me up inside like a summer day
So glad you said you'd never break your promises
I thank you Lord, I thank you God
'Cause everybody needs
(Needs)
Somebody stand by their side
You look at the road, it's get rough still you say to yourself
"Gotta drive"
Now I'm ready for the vibe
(For the vibe)
Send a little help let your angels fly
(Fly)
Heard the words deep down inside, I will survive
I'm stronger 'cause I
I heard a word saying, "Girl you'll be fine"
I heard a word that would ease my troubled mind
Took all the hurt away, warmed me up inside like a summer day
So glad you said you'd never break your promises
You promise me you love me
(Love me)
You promise me you glass me
(Glass me)

You said to me that on you shoulder I could cry
And if I did you dry my eyes and hold me
I'm so glad that you took all the hurt away
(Took all the hurt away)
Warmed me up inside
So glad that you never break your promises
You got me singing la la la la da oh oh oh oh oh oh
Sing la la la da da oh oh oh oh oh oh ooh ooh
You took, you took my
Took all the hurt away
(My hurt away)
Warmed me up inside
(Warmed me up inside like a summer day)
So glad you said you'd never break your promises, oh oh oh ooh oh ah
I heard a word, saying "Girl you'll be fine"
I heard a word that would ease my troubled mind
(I heard a word)
Took all the hurt away
(Warmed me up inside like a summer day)
Warmed me up inside
(Yes you did)
So glad, so glad, so glad, yeah, yeah ih yeah ih yeah yeah
I heard a word
(Wo ho oh ah)
I heard a word
(I'm so glad, I'm so glad, I'm so glad)
