

# Open Doors

Lydia Ainsworth

Turning around  
the wings above are melting now  
Turning around  
the crowd below is clearing out  
Red-orange sky sets fire to your open mouth  
Turning around  
we watch the wings free falling downWide open doors  
Swing and dance to the troubled night  
Lend me your shoulder  
I'll sing you an alibi  
When all is left are  
the ones we left behind  
Lend me your shoulder  
I'll sing you an alibiHolding the thread  
The link of life and levities  
Open your eyes  
open your eyes (open your eyes)  
open your eyes (open your eyes)
