

Salt of the Earth

Minister Michael Mahendere & Direct Worship

SALT OF THE EARTH

I'm salt of the earth*2
I carry the flavour of God
I season the earth

I'm salt of the earth*2
I carry the flavour of God
I season the earth

I'm a city built on a high hill
like yeast I influence the world
I am rich, I am prosperous, I am blessed

I'm a city built on a high hill
like a yeast I leaven the world
I am rich, I am prosperous, I am blessed

I'm a light of the world*2
I shine the light of God upon the earth

I'm a light of the world*2
I shine the light of God upon the earth

I'm a city built on a high hill
like yeast I influence the world
I am rich, I am prosperous, I am blessed

I'm a city built on a high hill
like a yeast I leaven the world
I am rich, I am prosperous, I am blessed

I live to dominate
surely there is no enchantment against me
no divination against me I am covered

yeeh I'm highly favoured
I'm highly favoured
I'm highly favoured

I'm highly favoured

In Jesus name

I'm a light of the world*2

I shine the light of God upon the earth
