

We Just Disagree

Dave Mason

Went away
Haven't seen you in a while
How've you been?
Have you changed your style, and do you think
That we've grown up differently?
Don't seem the same
Seems you've lost your feel for me So let's leave it alone
Cause we can't see eye to eye
There ain't no good guy
There ain't no bad guy
There's only you and me
And we just disagree
Ooh ooh oooooh
Oh whoa oh I'm going back
to a place that's far away
How 'bout you
Have you got a place to stay, and should I care?
Cause I'm just trying to get along
We were friends
But now it's the end of our love song So let's leave it alone
Cause we can't see eye to eye
There ain't no good guy
There ain't no bad guy
There's only you and me
And we just disagree
Ooh ooh oooooh
Oh whoa oh So let's leave it alone
Cause we can't see eye to eye
There ain't no good guy
There ain't no bad guy
There's only you and me
And we just disagree
Ooh ooh oooooh
Oh whoa, oh whoa oooooh
