Girlfriend

Julia Price

I like you, you like me
This could be so easy
Itâ€™s early, still learning
Only one kiss down and lots of flirting

Sleepover and all night
Your hand crawls closer up my thigh
Itâ€™s all so innocent
I cant wait to see where this thing heads

But I heard the funniest thing that you forgot to tell me
When your friend came up to me I didnâ€™t see it coming

CHORUS:
You didnâ€™t wanna say
You got a girlfriend
But I found out anyway
You got a girlfriend

Badum badum

I like you, you like me
This could be so easy
You say itâ€™s complicated baby
But it comes down to one simple thing

Two answers â€“ yes or no
Do you have a girlfriend? You say yea, so I go
â€˜cause I wont play like that
Iâ€™m a whole girl canâ€™t make me a half

And you still want me to stay to see what happens
But Iâ€™m single and thereâ€™s way, way too many options

CHORUS:
You didnâ€™t wanna say
You got a girlfriend
But I found out anyway
You got a girlfriend
You play the victim oh itâ€™s hard, youâ€™re juggling so many hearts

And you, youâ€™ve never done this before (Iâ€™m sure)
Come on the games you play I see right through

Bridge:
I bet sheâ€™s pretty, it was probably just an attraction thing with me
You might get married and be so happy, but in a year I bet youâ€™ll cheat

CHORUS:
You didnâ€™t wanna say
You got a girlfriend
But I found out anyway
You got a girlfriend
You play the victim oh itâ€™s hard, youâ€™re juggling so many hearts
And you, youâ€™ve never done this before (Iâ€™m sure)
Come on the games you play I see right through
You got a girlfriend

Badum badum badum you got a girlfriend
Badum badum badum you got a girlfriend
