

# Waitin for You (feat. Sirah)

[Demi Lovato](#)

Advisory - the following lyrics contain explicit language:

You said that you'd never hurt me  
Be the band-aid when I bleed  
But I guess that that band-aid was all made of paper  
'Cause you never stuck to me  
And you say that you conquered the lion  
Without even tryin'  
But she only gets stronger  
She only bites harder and I only die fighting You can run, you can run  
But you know that I know just what you've done  
You can run, you can run  
But save those words for one on one So when the lights go down  
And the sun hits ground  
You should know that I won't back down (I'll be waitin' for you)  
Knuckles out  
And the guard in my mouth  
When you're hungry for the next round (I'll be waitin' for you)  
Oh-oh, oh-oh-ooh, I'll be waitin' for you  
Oh-oh, oh-oh-ooh, I'll be waitin' for you  
Oh-oh, oh-oh-ooh  
Mmm Yeah, don't take things too personal  
But you made shit personal  
Talkin' 'bout my bad habits  
Man, fuck my bad habits  
Don't act like you got none You can run, you can run  
But you know that I know just what you've done  
You can run, you can run  
But save those words for one on one So when the lights go down  
And the sun hits ground  
You should know that I won't back down (I'll be waitin' for you)  
Knuckles out  
And the guard in my mouth  
When you're hungry for the next round (I'll be waitin' for you)

Oh-oh, oh-oh-ooh, I'll be waitin' for you  
Oh-oh, oh-oh-ooh, I'll be waitin' for you  
Oh-oh, oh-oh-ooh  
MmmGot my name in your mouth, forgive me when I knock it out  
I love it when you talk about me just 'cause you don't know yourself  
My jabs go go for broke, your teeth is on the floor  
Thirty million people watchin', do you still want more?  
Say gracious, gon' get it, I am winnin' but you isn't  
Call your dentist 'cause I meant this, I don't see no competition  
Goin' wild, Mikey Tyson, born a fighter, I will triumph  
Bitch I thought you knew I was comin' for your titleSo when the lights go down  
And the sun hits ground  
You should know that I won't back down (I'll be waitin' for you)  
Knuckles out  
And the guard in my mouth  
When you're hungry for the next round (I'll be waitin' for you)  
Oh-oh, oh-oh-ooh, I'll be waitin' for you  
Oh-oh, oh-oh-ooh, I'll be waitin', I'll be waitin' for you  
Oh-oh, oh-oh-ooh, I'll be waitin' for you
