

Coffee Shop

Red Hot Chili Peppers

I am just a lousy bum
Searching for the unknown crumb
The crumb, the crumbSomething or someone to come
Come along, illuminate my lust
CombustConfucius might have been confused
And Buddha might have blown a fuse
I ooze the museMeet me at the coffee shop
We can dance like Iggy Pop
Another go in the parking lot
Frewak the cheek on your hot spotBack and forth, my body's jerking
Will to thrill will not stop working
Work and workI'll take you on a honeymoon
Jumping on a bed in a hotel room
The room, the groomMeet me at the coffee shop
We can dance like Iggy Pop
Another go in the parking lot
Frewak the cheek on your hot spotMeet me at the coffee shop
We can dance like Iggy Pop
Another go in the parking lot
Frewak the cheek on your hot spot
