

# I Couldn't Care Less

Leslie Clio

You ask me out bout your upcoming tattoo-I couldn't care less.

You ask me if I like your new shoes-I couldn't care less.

And everyone loves your new girlfriend, well, according to you.

But when I tell you bout this guy I met, suddenly you get upset  
Monsieur would rather change the topic if it's not all about you.

Oh shut up I couldn't care less

I want to kick your ass

wearing ten-centimeter heels

Please shut up I couldn't care less

Why, why, why don't you have your own ideals?

You mention names from people I don't know

so that I couldn't care less

You saw this concert and that show- I couldn't care less

You're not talking big, no, so why don't I care a bit more?

Why d'you admire all these people not worth to care for?

I see the things a bit different: you're a would-be, she's a whore

So shut up I couldn't care less

I want to kick your ass

wearing ten-centimeter heels

Please shut up I couldn't care less

Why, why, why don't you have your own ideals?

And now you're thinking why I'm writing this song then

Well I'm just running out of ideas

But I couldn't care less

Why don't you have your own ideals

Oh shut up I couldn't care less

I want to kick your ass

wearing ten-centimeter heels

Please shut up I couldn't care less

Why, why, why don't you have your own ideals?
