# You're In A Bad Way

## Saint Etienne

Toast is burned
And your coffee's cold
And you leave all the post 'cause it's nothing but bills again
Home from work
Put the TV on
Get your kicks watching Bruce on the old Generation GameJust dial my number
I've got some plans for you
You're in a bad way
And I can help you through
You're in a bad way
Every day is just the same (every day)
Just dial my number
Or call my nameJeans are old
And your hair's all wrong
Don't you know that crew cuts and trainers are out again?
Going out
You're feeling low
Running for cover, it looks like it's going to rain - what a shame!Just dial my number
I've got some plans for you
You're in a bad way
And I can help you through
You're in a bad way
Every day is just the same (every day)
Just dial my number
Or call my nameJust dial my number
I've got some plans for you
You're in a bad way
And I can help you through
You're in a bad way
Every day seems just the same (every day)
Just dial my number
Or call my name (just dial my number)You're in a bad way (you're a bad way)
You're in a bad way (you're a bad way)
You're in a bad way (you're a bad way)
You're in a bad way, yeah-ay(You're in a bad way) yeah-ay
