Life Turned Her That Way

Ricky Van Shelton

If she seems cold and bitter
Then I beg of you
Just stop and consider
All she's gone throughDon't be quick to condemn her
For things she might say
Just remember
Life turned her that wayShe's been walked on
And stepped on so many times
And I hate to admit it
But the last footprint's mineShe was crying when I met her
She trys harder today
So don't blame her
Life turned her that wayShe's been walked on
And stepped on so many times
And I hate to admit it
But the last footprint's mineShe was crying when I met her
She trys harder today
So don't blame her
Life turned her that way
So don't blame her
Life turned her that way
